DIY BLOOMS/GREENERY

MOSSY GATE  
FLOWER FARM

Do you need flowers for your event? Reserve your Floral Buckets filled with hand-selected flowers and greenery, perfect for designing your own arrangements.

## Select from our two bucket options:

**Grower's Choice:** we will select the best in the field in an array of colors.

**Color Preference:** You may select one of the three color palettes and we will design an assortment to reflect the mood you are going for.

*Seasonal, local, sustainably grown blooms are subject to influences by Mother Nature. We strive to work with her to get you the best of the season!*

## Helpful Tips

MOSSY GATE  
FLOWER FARM

Mixed bouquets of any kind should include a Focal Flower, Filler and Thriller Flowers, and Greenery. A rule of thumb is to use odd numbers of stems 1, 3, 5, and 7 are the typical quantities of any one variety in an arrangement. The number of stems depends on how full you want of an arrangement but here are some basic breakdowns:

### Small Arrangement

10 stems

### Medium Arrangement

18-20 stems

### Large Arrangement

25-30 stems

- Make sure to change water daily.
- Keep buckets out of the sun or warm cars/rooms.
- Trim stems.
- Remove any leaves that are at and below water level.
